

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

We Analyse The
Agricultural Crop
Production
During The year
1997-2021

The Agriculture
is Production
Mainly Depends
on weather

India Is a
Second largest
producer in
Wheat And
Rice

Agriculture Is
The important
sector in india

Take the
good results
on the used
method.

His Genration
that should
make a big
effort for it.

Gokulan
India's agricultural
crop production
analysis (1997-2021)

Efforts should be
made to continue
to procure water
from neighboring
states

To save rain
water

It is good
and useful
for public in
large.

To inspire
peoples to
take up
farming

The will sell
on the
crops for in
better price

This will be
good
helpful for
farmers

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
